# George Mason University BSEd in Elementary Education Germanna AS in Education 2025-2026

# **Transfer Requirements**

- 1. Complete the associate degree with a 2.5 or higher cumulative GPA.
- 2. ENG 111, ENG 112, and a college-level math course must be completed with a C or higher in the first 45 credits. See the pathway to select the correct math course(s) for the intended major
- 3. Transfer to Mason for the fall or spring semester immediately following the conferral of the pathway associate degree.
- 4. Grades of C or higher are required for transfer credit. Select programs may require a higher grade in specified courses. See the program-specific requirements noted on the pathway.
- 5. Students must complete their associate degree within five years of entering the program.

# **Program Specific Requirements**

- 1. Students must receive a C or better in all major courses for teacher licensure.
- 2. Licensure testing requirements are determined by the Commonwealth of Virginia and may change at any time. If changes to these requirements occur, students must meet the current testing and licensure requirements as set forth in the legal code of Virginia.
- 3. Students are highly recommended to meet with a Mason Content Area Advisor prior to transferring to Mason: <u>CEHD: Content Area Review</u>.
- 4. Incoming students must also complete a cohort preference survey prior to enrolling in junior-level ELED courses at Mason.

# **Additional Academic Information:**

- Students who complete a VCCS transfer associate degree (AS, AA, AA&S, or AFA) will receive a waiver of the Foundation and
  Exploration (lower division) Mason Core general education categories. To be eligible for the waiver, the students must provide the
  Mason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH
  101 is not waived. Students must complete ENGH 100 or ENGH 101, or an equivalent, with a C or higher.
  - When a course fulfills a Mason Core requirement and a major or college requirement (e.g. Major & Quant), students must complete the course listed on the pathway to fulfill the major/college requirement. Courses that fulfill only Mason Core Foundation and Exploration categories are recommendations. In most pathways, ADVANCE students must complete a Quantitative Reasoning course to matriculate through ADVANCE.
  - ADVANCE students must complete the associate degree indicated on their pathway (see the Transfer Requirements listed above).
     Students who withdraw from ADVANCE and transfer without the associate degree or UCGS are required to complete each Mason Core general education category
- All students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation.
