#### Footnotes:

1. The Criminology, Law, & Society, BA requires that students demonstrate intermediate-level proficiency (through the 202 level) in a foreign language. Students who test out of language at Tidewater may replace these credits with alternative [approved electives](#), but will also need to complete language placement testing at Mason.
2. To confirm Mason equivalencies, visit: [Mason Transfer Credit Matrix](#). Should you not be able to access the matrix, please use: [Mason Transfer Equivalency System](#).
3. Students are encouraged to complete this course prior to their last semester at TCC.

#### Additional Academic Information:

- Students who complete a VCCS transfer associate degree (AS, AA, AA&S, & AFA) will receive a waiver of the Foundation and Exploration (lower division) Mason Core general education categories. To be eligible for the waiver, the students must provide the Mason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH 101 is not waived. Students must complete ENGH 100 or ENGH 101, or an equivalent, with a C or higher.
  - When a course fulfills a Mason Core requirement and a major or college requirement (e.g. Major & Quant), students must complete the course listed on the pathway to fulfill the major/college requirement. Courses that fulfill only Mason Core Foundation and Exploration categories are recommendations. In most pathways, ADVANCE students must complete a Quantitative Reasoning course to matriculate through ADVANCE.
  - ADVANCE students must complete the associate degree indicated on their pathway (see the Transfer Requirements listed above). Students who withdraw from ADVANCE and transfer without the associate degree or UCGS are required to complete each Mason Core general education category.
- All students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation.
