

**Transfer Requirements**

1. Apply by June 1 for fall admission. Fall applicants are expected to graduate in May. Summer graduates are not considered for fall admission.
2. Apply by October 1 for spring admission. Spring applicants are expected to graduate in December.
3. Present a minimum cumulative grade point average of 2.5 upon application to Mason and graduation from RBC.
4. ENGL 101 and ENGL 102 and one of the following MATH courses (110, 200, 217, or 251) must be completed with grades of C or better before applying to Mason.
5. Students must complete the associate degree listed on their pathway.
  - a. Students must complete a minimum of 40 college-level credits toward the associate degree at RBC.
  - b. If all coursework for the associate degree is not completed at RBC, a 2.5 GPA is required on all prior college coursework for admission.
6. Provide the Mason Office of Admissions with a final RBC transcript reflecting the degree conferral date.

#### Footnotes:

- Students must complete both BUS 201 and BUS 202 to receive credit for ACCT 203 and ACCT elective.
- To confirm Mason equivalencies, visit: [Mason Transfer Credit Matrix](#).
- Students must complete a concentration in one of the following: Accounting, Business Analytics, Finance, Financial Planning and Wealth Management, Management, Management Information Systems, Marketing, or Operations and Supply Chain Management. See Mason Business advisor to declare a concentration. For more information visit: [Current Business, BS Catalog](#). Please use the [catalog archive link](#) to navigate to your specific catalog year requirements.

#### Additional Academic Information:

- Students who complete a Richard Bland College transfer associate degree (AS, AA, AA&S, or AFA) will receive a waiver of the Foundation and Exploration (lower division) Mason Core general education categories. To be eligible for the waiver, the students must provide the Mason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH 101 is not waived. Students must complete ENGH 100 or ENGH 101, or an equivalent, with a C or higher.
  - When a course fulfills a Mason Core requirement and a major or college requirement (e.g. Major & Quant), students must complete the course listed on the pathway to fulfill the major/college requirement. Courses that fulfill only Mason Core Foundation and Exploration categories are recommendations. In most pathways, students must complete a Quantitative Reasoning course to matriculate.
  - Students must complete the associate degree indicated on their pathway (see the Transfer Requirements listed above). Students who transfer without the associate degree or UCGS are required to complete each Mason Core general education category.
- All students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation.
- For academic policies and procedures relating to the associate degree, please navigate to your specific catalog year using the Archive Catalog link and choosing your catalog year from the drop-down menu: [Catalog Archive Link](#)
- For academic policies and procedures relating to the bachelor's degree, please visit: [George Mason Catalog](#). Navigate to your specific catalog year requirements using the catalog archive: [George Mason Catalog Archive](#).
