

George Mason University BEd in Elementary Education
Brightpoint AS in Teacher Education
2026-2027

ADVANCE
 PART OF THE MASON VIRGINIA PROMISE

Transfer Requirements

1. Complete the associate degree with a 2.5 or higher cumulative GPA.
2. ENG 111, ENG 112, and a college-level math course must be completed with a C or higher in the first 45 credits. See the pathway to select the correct math course(s) for the intended major.
3. Transfer to George Mason for the fall or spring semester immediately following the conferral of the pathway associate degree.
4. Grades of C or higher are required for transfer credit. Select programs may require a higher grade in specified courses. See the program-specific requirements noted on the pathway.
5. Students must complete their associate degree within five years of entering the program.

Program Specific Requirements

1. Students must receive a C or better in all major courses for teacher licensure.
2. Licensure testing requirements are determined by the Commonwealth of Virginia and may change at any time. If changes to these requirements occur, students must meet the current testing and licensure requirements as set forth in the legal code of Virginia.
3. Students are highly recommended to meet with a George Mason Content Area Advisor prior to transferring to George Mason, email endorse@gmu.edu with questions or refer to: [George Mason CEHD Content Area Review](#).
4. Incoming students must also complete a cohort preference survey prior to enrolling in junior-level ELED courses at George Mason.

Associate Degree Requirements

#	Associate Degree Requirement & Course	Credits	Mason Equivalent	Mason Degree Requirement
1	SDV 100	1	UNIV100	General Elective

37	Concentration requirements	12	See catalog for concentration options and specific requirements. ²
38	General Elective	3	
	Total post-transfer credits:	60	
	Pathway total:	120	

Footnotes:

1. To confirm George Mason equivalencies, visit: [George Mason Transfer Credit Matrix](#).
2. Students must complete a concentration in either Education Studies (Non-Licensure) or Elementary Education (PK-6 Licensure). See George Mason Education advisor to declare a concentration. For more information visit: [Current Elementary Education](#), [BSEd Catalog](#). Please use the [catalog archive link](#) to navigate to your specific catalog year requirements.

Additional Academic Information:

- Students who complete a VCCS transfer associate degree (AS, AA, AA&S, or AFA) will receive a waiver of the Foundation and Exploration (lower division) Mason Core general education categories. To be eligible for the waiver, the students must provide the George Mason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH 101 is not waived. Students must complete ENGH 100 or ENGH 101, or an equivalent, with a C or higher.
 - When a course fulfills a Mason Core requirement and a major or college requirement (e.g. Major & Quant), students must complete the course listed on the pathway to fulfill the major/college requirement. Courses that fulfill only Mason Core Foundation and Exploration categories are recommendations. In most pathways, ADVANCE students must complete a Quantitative Reasoning course to matriculate through ADVANCE.
 - ADVANCE students must complete the associate degree indicated on their pathway (see the Transfer Requirements listed above). Students who withdraw from ADVANCE and transfer without the associate degree or UCGS are required to complete each Mason Core general education category.
- All students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation.
- For academic policies and procedures relating to the associate degree, please navigate to your specific catalog year using the Archive Catalog link: [Catalog and Student Handbook Archive](#)
- For academic policies and procedures relating to the bachelor's degree, please visit: [George Mason Catalog](#). Navigate to your specific catalog year requirements using the catalog archive: [George Mason Catalog Archive](#).
