

George Mason University BAS in Applied Science: Cyber Security
Germanna AAS in Information System Technology: Cybersecurity
2026-2027

ADVANCE
 PART OF THE MASON VIRGINIA PROMISE

Transfer Requirements

1. Complete the associate degree with a 2.5 or higher cumulative GPA.
2. ENG 111, ENG 112, and a college-level math course must be completed with a C or higher in the first 45 credits. See the pathway to select the correct math course(s) for the intended major
3. Transfer to George Mason for the fall or spring semester immediately following the conferral of the pathway associate degree.
4. Grades of C or higher are required for transfer credit. Select programs may require a higher grade in specified courses. See the program-specific requirements noted on the pathway.
5. Students must complete their associate degree within five years of entering the program.

Program Specific Requirements:

- BAS programs have specialized admission criteria. In this pathway, the Mason Core Lower Level Written Communication course (ENGH 101) is completed at George Mason. If English is not the student's first language or the student has taken ESL coursework, they must take ENG 112 to meet the English Language Proficiency requirement needed for admission prior to matriculating to George Mason.
