

**George Mason University BS in Business**  
**Piedmont Virginia Community College AS in Business**  
**Administration**  
**2026-2027**

**Transfer Requirements**

1. Complete the associate degree with a 2.5 or higher cumulative GPA.
2. ENG 111, ENG 112, and a college-level math course must be completed with a C or higher in the first 45 credits. See the pathway to select the correct math course(s) for the intended major.
3. Transfer to George Mason for the fall or spring semester immediately following the conferral of the pathway associate degree.
4. Grades of C or higher are required for transfer credit. Select programs may require a higher grade in specified courses. See the program-specific requirements noted on the pathway.
5. Students must complete their associate degree within five years of entering the program.

	<b>Total post-transfer credits:</b>	<b>57</b>	
	<b>Pathway total:</b>	<b>120</b>	

**Footnotes:**

1. If students place directly into MTH 261, they may take any transferable math course instead of MTH 161. Recommend: MTH 245.
2. Students must complete both ACC 211 and ACC 212 to receive credit for ACCT 203 and ACCT —.
3. To confirm George Mason equivalencies, visit: [George Mason Transfer Credit Matrix](#).
4. Students must complete a concentration in one of the following: Accounting, Business Analytics, Finance, Financial Planning and Wealth Management, Management, Management Information Systems, Marketing, or Operations and Supply Chain Management. See George Mason Business advisor to declare a concentration. For more information visit: [Current Business, BS Catalog](#). Please use the [catalog archive link](#) to navigate to your specific catalog year requirements.

**Additional Academic Information:**

- Students who complete a VCCS transfer associate degree (AS, AA, AA&S, or AFA) will receive a waiver of the Foundation and Exploration (lower division) Mason Core general education categories. To be eligible for the waiver, the students must provide the George FHUMason Office of Admissions with a final, official transcript reflecting the degree conferral date. As a prerequisite for ENGH 302, ENGH 101 is not waived. Students must complete ENGH 100 or ENGH 101, or an equivalent, with a C or higher.
  - When a course fulfills a Mason Core requirement and a major or college requirement (e.g. Major & Quant), students must complete the course listed on the pathway to fulfill the major/college requirement. Courses that fulfill only Mason Core Foundation and Exploration categories are recommendations. In most pathways, ADVANCE students must complete a Quantitative Reasoning course to matriculate through ADVANCE.
  - ADVANCE students must complete the associate degree indicated on their pathway (see the Transfer Requirements listed above). Students who withdraw from ADVANCE and transfer without the associate degree or UCGS are required to complete each Mason Core general education category
- All students seeking a bachelor's degree must apply at least 45 credits of upper-level courses (numbered 300 or above) toward graduation.
- For academic policies and procedures relating to the associate degree, please navigate to your specific catalog year using the Archive Catalog link: [Piedmont College Catalog](#). Navigate to your specific catalog year requirements using the catalog archive drop down at the top of the catalog page.
- For academic policies and procedures relating to the bachelor's degree, please visit: [George Mason Catalog](#). Navigate to your specific catalog year requirements using the catalog archive: [George Mason Catalog Archive](#).
